Jakarta, Indonesia | 081289636227 | noviraprajna3@gmail.com | [linkedin.com/in/novira-setya-prajna-anggraini](https://www.linkedin.com/in/novira-setya-prajna-anggraini) |

A final-year Development Economics student at Universitas Brawijaya, specializing in development planning. I am passionate about market analysis, business analysis, and data analytics, and I enjoy transforming data-driven insights into meaningful strategies. With strong problem-solving abilities, analytical thinking, and public speaking skills, I thrive in environments that encourage growth and collaboration. Beyond academics, I actively participate in campus organizations and committees to continually develop leadership, communication, and teamwork skills
